

Map of St Richard's Hospital

Neonatal Transfer Service

The team who come to transfer your baby will introduce themselves to you and explain how they will transfer your baby.

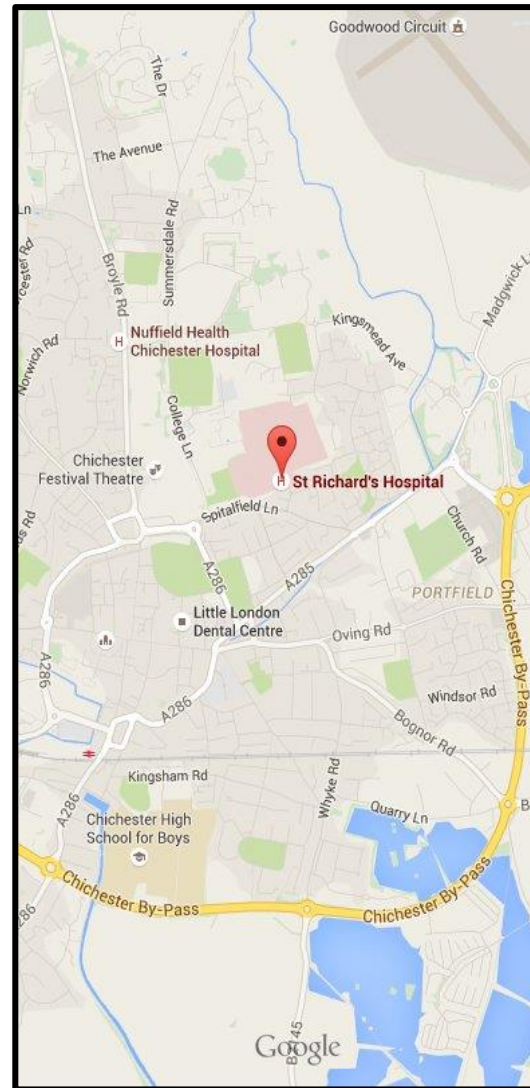

They are a specialist team trained to care for sick newborn and premature babies. There will be a Doctor / Advanced Neonatal Nurse Practitioner (ANNP), neonatal Nurse and an ambulance Driver. All are specially trained in neonatal transport.

The ambulance carrying your baby will have all the necessary specialist equipment to continue your baby's care and ensure their safe transfer to the local neonatal unit.
